Christian Aid Week: 'All mums should live'

Sierra Leone is the world's most dangerous place to become a mum. Every day 10 women die from giving birth. In Sawula district, the community struggle with a clinic which has no electricity and only two delivery beds.

Jebbeh is heavily pregnant but as her baby grows, it's not joy that fills her heart, but fear. When Jebbeh's sister Fatmata went in to labour, there were so few ambulances that Fatmata had no choice but to walk for three hours under the baking sun, to the nearest hospital. The journey was long and with every step Fatmata struggled to keep walking. Jebbeh told us: 'My sister was crying out with hunger. She died on the side of the road. She never gave birth.'

This Christian Aid Week, together, we can make childbirth safe for mums and babies. Through our gifts and prayers, we can help give the world's poorest mums a chance to live.

Will you be a partner for change?
If our church raised £300, it could help provide a new delivery bed so more mums like Jebbeh can deliver their babies safely.

For wedding enquires, please email or telephone the Vicar for an appointment.
